**EXCELLENCE IN SCHOOL-BASED
VOCATIONAL EDUCATION
AND TRAINING**

GET A HEAD START ON YOUR CAREER IN 2025

Study for your Queensland Certificate of Education (QCE) and two Vocational Education and Training qualifications while at high school.

- Seek a school-based apprenticeship or traineeship.
- On successful completion of the SchoolTech program, you receive credits towards your QCE and gain two qualifications.
- Gain 'real world' skills through work experience placement.

SchoolTech is an innovative, award winning initiative between TAFE Queensland Cairns campus and Woree State High School.

FUNDING

Funding for each vocational qualification delivered by TAFE Queensland for the SchoolTech program is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies.

If you are currently undertaking or have already completed a Certificate II qualification you may not be eligible to access funding. Full fees may apply.

See over page for information about each qualification.

Training delivered by TAFE Queensland (RTO 0275).

TIMETABLES

- Semester 1 students attend SchoolTech at the TAFE Queensland Cairns campus four days per week with one day allocated as work experience placement.
- Semester 2, 3 and 4 students attend SchoolTech at the TAFE Queensland Cairns campus three days per week with two days allocated as work experience placement.
- The first day of study will be considered orientation and work experience placement will commence in week 3, one day per week.
- School subjects are timetabled around work experience placement so as to not conflict with class time. This ensures a smooth transition from school to work.
