**EXCELLENCE IN SCHOOL-BASED  
VOCATIONAL EDUCATION AND TRAINING**

## GET A HEAD START ON YOUR CAREER

Study for your Queensland Certificate of Education (QCE) and two Vocational Education and Training qualifications while at high school with a School Based Traineeship. Traineeship delivered by TAFE Queensland (RTO 0275).

### SHORELINE PROGRAM

#### DO YOU:

- Have a passion for working on the ocean?
- Want to seek a career in Ecotourism?
- Want to follow in the footsteps of your Elders and look after country?

This program allows students to undertake a traineeship and earn while they learn.

**SchoolTech** is an innovative, award winning initiative between TAFE Queensland Cairns campus and Woree State High School.

### FUNDING

Funding for each vocational qualification delivered by TAFE Queensland for the SchoolTech program is available through the Vocational Education and Training in Schools (VETiS) program and User Choice program, funded by the Queensland Government. Eligibility criteria applies.

If you are currently undertaking or have already completed a certificate II qualification you may not be eligible to access funding. Full fees may apply.

### ENTRY REQUIREMENTS

**An Expression of Interest form must be completed to start the application process. Applicants will be required to attend an interview with teachers from the course area. Courses will only proceed if there are sufficient participants.**

Applicants must identify as Aboriginal or Torres Strait Islander, completed Year 10 or equivalent and be at least 15 years of age.

It will be considered an advantage if applicants have already completed some work experience in their chosen vocational area.

## LEARN MORE

### YEAR 11

#### ENGINEERING

**Certificate II in Engineering Pathways** MEM20413<sup>^</sup>

Increase your employability in the engineering industry. This course will introduce you to the engineering trade and provide you with basic skills to operate tools and equipment to produce and modify objects.

Gain basic welding skills, communication skills and use this training as a pathway to an apprenticeship in a variety of engineering fields.

### YEAR 12

#### MARITIME

**Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal)** MAR20321

Get a head start on your maritime career with this entry-level course. Gain skills and knowledge to help you become a Coxswain of commercial vessels up to 12m long.

Learn how to operate and maintain auxiliary marine engine systems, plan and navigate a passage and operate inboard and outboard motors.

On successful completion of both qualifications, students will earn eight (8) credits towards their QCE.

<sup>^</sup> Qualification currently in transition, course code subject to change.
